

Writing a very heartfelt thank you to all of you for the incredible work you did this year at Holy Rosary. You all went above and beyond - and made it incredibly seamless for our family. This year reminded me again - why we chose Holy Rosary. It has been the best choice for our son's education that I could have envisioned.

Thank you for allowing the kids to have a “good” school year after so many challenges. I am very proud to send my daughter to your school and know she is well cared for. You [Mrs. Gilman] are a big reason for that.

*Brian G. (P'24)*

Michael (Holy Rosary Class of 2017) was named the 2021 Valedictorian by Lansdale Catholic. Michael is honored to represent Holy Rosary. Both of my boys grew into the young men they are coming through Holy Rosary.

*Anthony S. (P'17, 18)*

I just wanted to take a minute to say thank you to you, and the entire staff for what you have done for these students during this tough time. I look at the news and see all of these kids that have not been in school for over a year now, it is truly heartbreaking, but it also makes me realize how great of a job you all have done. I know my son is safe with you and that is more important than anything.

*Jeff M. (P'28)*
